eikon® e2

The new small high speed oven opens up big opportunities.

A great opportunity for customers who are looking to capture additional hot food revenues but have previously been limited by space and expertise.

The compact eikon® e2 (width only 38.3 cm) appliance lets anyone cook 'hot food to go' perfectly every time with easyTouch control.

With our eikon® e2 Twin, we offer you the new opportunity to connect two eikon® e2s together and double the capacity from one power supply (230V/16A).

eikon® e2 – the perfect solution for:

- Cafés and bistros
- Kiosks
- Smaller snack bars
- All suppliers of crispy snacks

eikon® e2 – perfect for the following dishes (examples):

- Paninis
- Pizza slices
- Chicken wraps

eikon® e2 and e2 Twin – enjoy these benefits:

- Simple operation with easyTouch Touchscreen control
- Up to 10 x faster preparation times
- Very energy efficient and quiet (< 50dB)
- Ventless operation
- Download recipes via the USB port
- eikon® e2 Twin: operate two appliances through one electrical connection
